Hidden Histories, Bold Stories

Join local drag queen Kylie Minono for a lively screening of *Screaming Queens*—the groundbreaking film about the 1966 Compton's Cafeteria riot, three years before Stonewall.

After the film, Kylie will lead a fun, interactive presentation on lesser-known LGBTQ+ changemakers who shaped our world, followed by open discussion and connection.

**EVERYONE IS
WELCOME AT
THE COOL TABLE**

What is it? A gathering on the second Thursday of every month where LGBTQ+ older adults and allies connect, learn, and celebrate community.

**Free and open to all.
No registration required!**
